

## **Mission Statement**

*United Technical Center will provide rigorous and relevant career and technical education that allows students to succeed and achieve to their highest potential in the workforce of the 21<sup>st</sup> Century.*

## **Core Beliefs**

We Believe....

1. In a 21st Century learning environment that motivates and prepares students for lifelong learning.
2. We must strengthen community support, expand public awareness and enhance the lines of communication between the community and the faculty of UTC.
3. Qualified and concerned staff must be employed and provided with opportunities for professional development.
4. In providing a safe environment, 21st Century equipment, tools, technology, and instruction to maximize learning, and in optimizing the use of all available resources.
5. That by conducting on-going evaluations of programs, policies and procedures, and by successfully meeting state standards on mandatory testing, we will ensure United Technical Center's commitment to excellence.
6. Students, staff, parents, and community must actively share in the responsibility for learning.
